COMMERCE CORNER

Established in 2022, Marathon Boat Trailer Storage specializes in valet-style boat trailer storage on a locked and secure lot with surveillance. Owner Brandi Card says her key to success is their friendly and helpful service, plus they like to have fun, even when working! "We are centrally located in Marathon, offering easy trailer drop off and pick up. Our valet-style service ensures that whoever drops the trailer doesn't even have to back it up. We tow the trailer to its place and bring it back to the pick-up lane when it's time. We also offer online booking for people who want to book at midnight or don't want to talk to another human" said Card.

Heart, Housing, and Hope

As we move past the holiday season and a bit further into 2023 we continue to march forward. Your chamber has been busy seeing 100+ visitors every day in our Marathon Visitor Center, as well as working hard in the chamber back offices. This month I thought it apropos to talk about three H's, heart, housing, and hope.

Heart: We are all very busy, but remember with February comes Valentine's Day, so be sure to go to one of our amazing retail chamber-members to get something special for that special someone! Furthermore, our local retailers face more competition than ever via online providers (Amazon, etc.), so it's more important than ever to support local chamber-member businesses. Remember, monies spent here circulate more than when spent outside our community, thus helping our local economy.

Check out our retail members here: <https://floridakeysmarathon.com/what-to-do/shop/>.

Housing: we are excited about our February 14th Membership Luncheon speaker and topic, which focuses on housing and land for such. Our speaker is the Executive Director of our Monroe County Land Authority, and she will focus on some exciting housing projects they are partnering on with local municipalities in the Keys. Be sure to RSVP please.

Hope: I hope you all have a great February, I hope in March (11-12) we have a great and successful 47th annual Marathon Seafood Festival (contact us to be a sponsor, volunteer, or vendor asap)! I am hopeful we will continue to have a strong high-season so our valued business-members can continue their good work and service within our community. Lastly, I hope to see many of you at our upcoming events this month and throughout the year. It's important we are connecting with our members and providing you opportunities to network, improve, learn, and feel supported by us.

Have a great February everyone, please do remember to send in your membership renewal dues that were mailed out back in December, online payment is now available for your convenience. We greatly appreciate your membership with us and look forward to continuing to serve, support, promote, and advocate for your business. Please never hesitate to contact me to help you in any way. Hears to a safe and profitable February!

Most Respectfully,
