MAY the force be with You

2025 is moving fast, while it does I hope this finds you well. We are “springing” (get it, cause it’s still spring) into action to continue to serve and support our 530 plus business-members!

The chamber’s education committee is about to award scholarships totaling \$15,000! A large portion went to our very own Marathon High School seniors to help pay for the college, university, and vocational/trade school expenses. We also awarded over ten continuing education grants to fellow chamber-members so they can continue to grow and expand their knowledge, skills, and abilities. Your chamber board is so proud to support our local Marathon students’ as well as our members’ educational endeavors as it builds our community’s knowledge base and potential to thrive into the future.

We are also very excited for our May networking events, and hope you will join us for some good networking and chamber comradery at two beautiful locations (see below).

May Chamber events:

Please join us for an exciting Business After Hours May 14th at world renown Dolphin Research Center and network with members while enjoying the DRC and their amazing inhabitants (food and drinks sponsored by Centennial Bank).

On May 20th we have our Member Luncheon (Isla Bella Resort Conf. Room) where we are honored to have Monroe County Mayor Jim Scholl as our speaker! Mayor Jim is going to update us on the state of the county, answer questions, and keep us informed.

Have a great May everyone! Please remember (if you haven’t already) to send in your membership renewal dues that were mailed out back in December, online payment is now available for your convenience. We greatly appreciate your membership with us and look forward to continuing to serve, support, promote, and advocate for your business. Please never hesitate to contact me to help you in any way. Hears to a safe and profitable May!

Most Respectfully,
