Interested in Solar? Finance with FKEC!

Florida Keys Electric Cooperative is committed to making access to solar power generation possible for interested members. Obtain an FKEC solar loan and make payments through your monthly electric bill — it's that easy.

How do I qualify? Qualifying is based solely on your credit history with FKEC. Residential members must have a minimum 12-month clean billing history with FKEC and commercial members must have 24 months.

How do I apply? Start by calling FKEC Member Service at 305-852-2431 to see if you are eligible, and to learn more about the terms of the loan. You can also find the terms and steps to obtaining a solar loan at www.FKEC.com.

Housing, Build-Out, & Seafood Commith

As we move past the holiday season and a bit further into 2024 we continue to march forward. Your chamber has been busy seeing a lot of visitors every day in our Marathon Visitor Center, as well as working hard in the chamber back offices.

There is a lot going on county-wide. Our City and County are discussing what to do with the state's proposal of providing additional building allocations. This is in response to us running out of such, thus creating eventual taking cases and liability thereof. Takings cases occur when a property owner sues our city, county, and state due to not being able to improve their property via building. In our case, having no more building rights to soon award, we will be liable. The crux of the issue is paying legal fees and damages from potential takings cases. As a whole our cities and county has about 8,000 more lots than building rights; now some of these are not suitable for building, so this number will be lower as we delve deeper into this; but the liability is still there. Stay tuned and keep in touch with us as needed; your chamber is watching and communicating with elected officials on this matter.

Speaking of building, your chamber board recently voted to support the County's legislative initiative and bill which would allow for a one-time use of bed-tax surplus funds (generated from 2021-2022) which would be used specifically for affordable housing projects throughout the FL Keys. We are excited about this bill and hope it passes through our legislature during this year's session up in Tallahassee. Again, please contact me anytime for more info on this bill and initiative.

Lastly, remember next month is the 48th annual Original Marathon Seafood Festival March 9-10! If you are interested in being an event sponsor, volunteer, or vendor; please contact us ASAP. As you probably know this is Marathon's largest annual event, and we surely cannot do it without our valued sponsors, volunteers, and amazing vendors.

Have a great February everyone, please do remember to send in your membership renewal dues that were mailed out back in December, online payment is now available for your convenience. We greatly appreciate your membership with us and look forward to continuing to serve, support, promote, and advocate for your business. Please never hesitate to contact me to help you in any way. Hears to a safe and profitable February!

Most Respectfully,

CEO, Greater Marathon Chamber of Commerce
