School's Out for Summer (not work though)

June has arrived, and with it our summer season. As locals we know what else June 1st signifies, the start of storm season. As you've heard me preach before, please ensure you have your plans in place for your families, home, and of course your business(es). Be sure to update staff contact records, talk to your IT team to ensure you have remote access to any important/needed files, information, etc. If your server is physically in-house, make necessary precautions.

Lastly on storm-prep, ensure you have updated info on your insurance plans, limits, and contacts. More great info on our Monroe County EOC site as well. Lastly, have a financial plan for your business pertaining to:

- Adequate reserves: should your business be non-operational for a short period of time
- Access to capital: have a line of credit set up with your bank; ensure you are set up for online banking as well
- Plan for staff: evacuation plans, contact info, payroll advances (if/as needed/permitted)

As summer begins I wanted to also share a great link with summer and America 250 events throughout the Keys, courtesy of our amazing TDC: [CLICK HERE for INFO](#) or use this QR code:

I am also honored to announce that just last week your chamber board was honored to present and award sixteen (16) scholarships (totaling \$13,000) to MHS graduates, six of which were specifically awarded to graduates going into a trade. The board also awarded \$2,000 in continuing education grants to business-members. Additionally, the Board awarded \$1,000 each to our MHS football and tennis programs. Your chamber loves giving back to our businesses and students to support the present and future of our workforce and community.

We hope to see you at our June networking events as well, more details via our weekly eblasts, online event calendar, or on our Facebook page:

- Business After Hours: June 10th at 5:30pm @ ENGEL & VOLKERS
- Membership Luncheon: June 16th at 12:00pm @ Isla Bella Beach Resort's Conference Room

Have a great June everyone! Please remember (if you haven't already) to send in your membership renewal dues (chamber and visitor center) that were sent out earlier this year, online payment on our website is now available for your convenience. We greatly appreciate your membership with us and look forward to continuing to serve, support, promote, and advocate for your business. Please never hesitate to contact me to help you in any way.
