A painting of a tropical scene. In the foreground, a dirt path leads towards a wooden bridge. To the right, a large palm tree with green fronds and two orange coconuts stands prominently. The background shows more trees and a soft, hazy sky. The overall style is painterly and warm.

Interested in Solar? Finance with FKEC!

Florida Keys Electric Cooperative is committed to making access to solar power generation possible for interested members. Obtain an FKEC solar loan and make payments through your monthly electric bill — it's that easy.

How do I qualify? Qualifying is based solely on your credit history with FKEC. Residential members must have a minimum 12-month clean billing history with FKEC and commercial members must have 24 months.

How do I apply? Start by calling FKEC Member Service at 305-852-2431 to see if you are eligible, and to learn more about the terms of the loan. You can also find the terms and steps to obtaining a solar loan at www.FKEC.com.

2024: Pre-Pandemic Times Ahead

I hope you all had a great Holiday and New Year's! While the holidays are a great time of year, it is nice to get back into normal routines post holidays. More importantly it signifies a new year, and a time for new opportunities. Specifically opportunities to succeed and prosper regarding our businesses and careers.

With a great and busy Christmas and New Year's week, we are looking forward to hitting our stride this winter and spring for our high season. While it's a stressful time, it's good to be busy and in-demand. Especially after experiencing a traditional fall season as far as tourism, traffic, etc. We have been about 10% down in bed tax collections compared to 2022, and from what many other non-lodging members told me, we were 20-30% down. While this is always disheartening, it again signals our tourism market reverting back to normalcy. All other destinations have been open and are being ultra-aggressive in their marketing, and visitors are taking advantage of those opportunities. I do look forward to our markets continued growth, mortgage rates continuing to drop, etc. as we move into 2024. Until then stay focused on your goals for 2024, continue to be responsible with savings (especially knowing when next fall comes you may need them), cash flow, and profits as we see things returning to normalcy.

Per my usual January/New Year's words of wisdom, here are a few important items to think about, and look into implementing in 2024:

-Sound Budgeting & Cash Flow (I like to include this most year's, because its so very important):

Update your budget (if you haven't already) the best you can, understanding it's difficult with the swings we have seen the past two years. If possible use 2019 (pre-pandemic) figures with a relative bump of 10-20%. Your Marathon Chamber (contact us anytime) can help you in updating your budget, better understanding cash flow, as well as any other financial reports that will help you make sound decisions that will positively affect your business.

-Staff Retention & Benefits: Most of you (us) are thin on staff, and strive to maintain staffing levels, if not increase them. So how can you accomplish this? Staff not only go where the money is, but where the quality of work and benefits are! Make changes to improve the workplace morale, as well as adding any benefits (401K plans with matching, healthcare, PTO, etc.) you can to retain and recruit quality staff.

-Education & Resources: we should never stop learning/improving, and your Marathon Chamber is here to help with that. Please contact us for any/all your educational needs. We also partner with our SBDC (Small Business Development Center) who offers 1-1 consulting, training, and resources that are all FREE for businesses!

-YOUR Health: without YOU your business (and family) cannot operate at its best/peak capacity. Ensure you are taking care of yourself, exercise, eat right, and get an annual healthcare checkup and physical. Baptist actually offers executive physicals, which are a great way to get a full and complete workup on your state of health. We want you to enjoy the fruits of your labors, this can only be accomplished if YOU are healthy and well (mentally and physically).

Finally, thank you for being a member of The Greater Marathon Chamber of Commerce in 2023, and we look forward to again serving you in 2024. If you have any questions about your membership renewal invoice please call us anytime. Want to know more about what the Marathon Chamber can do for you and your business? Please call us to set up an orientation/member benefits meeting; we will travel to your place of business if need be. Our mission is to serve and support you; and we look forward to doing just that yet again in 2024.

Here's to a healthy, safe, and fruitful 2024!

Most Respectfully,

CEO, Greater Marathon Chamber of Commerce
