MAY this find you well.

2024 continues to fly by, and I hope this finds you well. We are very busy with a few exciting events and programs going on and coming up. We are also very eager to introduce our newest team-member and Members Services guru Amanda Matyi. Amanda is a local and had been part of our community for many years; we are thrilled to have her with us, and she is excited to meet you all and help you, our valued members however she/we can.

The chamber's education committee recently awarded scholarships totaling \$15,000! A large portion went to our very own Marathon High School seniors to help pay for the college, university, and vocational/trade school expenses. We also awarded over ten continuing education grants to fellow chamber-members so they can continue to grow and expand their knowledge, skills, and abilities. In addition, our beautification committee also awarded business beautification grants to fellow chamber-members to help beautify and improve the outside of their property/facility.

We are also very excited for our May networking events, and hope you will join us for some good networking and chamber comradery at two beautiful locations (see below).

- May Chamber events:

- Please join us for an exciting Business After Hours May 8th at world renown Dolphin Research Center and network with members while enjoying the DRC and their amazing inhabitants (food and drinks sponsored by Centennial Bank).

- On May 21st we have our Member Luncheon (Marathon Grill & Ale House) where we are honored to have FWC Capt. Dave Dipre as our speaker! Dave is going to update us on the spinning fish phenomenon, other FWC initiatives, and much more.

Have a great May everyone! Please remember (if you haven't already) to send in your membership renewal dues that were mailed out back in December, online payment is now available for your convenience. We greatly appreciate your membership with us and look forward to continuing to serve, support, promote, and advocate for your business. Please never hesitate to contact me to help you in any way. Hears to a safe and profitable May!

Most Respectfully,
